Dear Mr Andrew Potter

**Re: Resale of property at Barnfield Close**

I am writing to let you know that there is an opportunity for a local person to buy a shared ownership home at Barnfield Close. A poster is attached to advertise the sale and I would be most grateful if you would display copies around the village.

The sale is being advertised on our website and is with a local estate agent, but the display of posters is crucial if we are to attract the attention of local purchasers. You will be aware that these houses were developed in partnership with the Parish Council to help meet the needs of local people who are unable to afford to buy a property in the village at open market prices.

If you hear or know of anyone who might be interested, please ask them to get in touch with the estate agent, whose details are on the poster. In the interests of the community, we do hope that another local person or family will be able to take the opportunity to buy a home in the village.

Please do contact me if you need any further information.

Yours sincerely

Jeremy Page
